AN ASHLAND
TRADITION
SINCE 1999

WHAT IS WIFFLEFEST?

Wifflefest is an Ashland tradition. It is simple backyard baseball, but with four or five players instead of nine. We also use Wiffle balls and not actual baseballs. Both rookie and seasoned veteran teams gather from far and wide each year to compete in a fun, family-friendly tournament staged on fields built to 3:10 scale of actual Major League stadiums. We even have lights!

WHERE IS WIFFLEFEST?

The official home of Wifflefest is Southview Grace Brethren Church in Ashland, Ohio. Our church family fully supports this ongoing mission to serve our community and commits to countless volunteer hours to host this event each year.

WHO CAN PLAY?

Unfortunately, we've had to make some adjustments this year. This year we have divisions for high school, adult (competitive) and adult/family leisure play. We are looking forward to returning to our full tournament next year.

HOW MUCH DOES IT COST?

Cost per team is \$20.00. Registrations must be turned in on or before June 22. This year space is limited and we will accept registrations on a first come, first serve basis. **Wifflefest is not a fundraiser.** Registration fees do cover the expenses of the tournament.
